# SNOWWONDER

## PRINTERS CREAM

### IT'S A SCIENTIFIC ACCOMPLISHMENT

#### SNOWWONDER:

- Easily removes Printers Ink
- Removes strong odors such as skunk, fish, onion, garlic, gas, diesel, and human scent
- Will not clog drains or sink traps
- Cleans deeply into pores without breaking the skin's surface
- Will maintain soft, smooth and healthy skin even after multiple washes

#### SNOWWONDER DOES NOT CONTAIN:

- Chlorinated solvents, borax pumice, soaps, sand, or phosphates
- Ozone depleting compounds
- D or E series Butyl Glycol ethers
- Fluorocarbons
- d-limonene (or other skin sensitizing solvents)
- Phenol Compounds

#### NO COMPROMISE IN:

- Cleaning Power
- Cost
- Convenience

#### CONCENTRATED AND EFFECTIVE

SnoWonder is a remarkable accomplishment of modern science that was designed specifically for use in the printing industry. SnoWonder easily removes printers ink from your hands while leaving them clean and soft. SnoWonder is a non-abrasive, non-caustic hand cleaner with built in skin conditioners eliminating the need for any additional skin care product.

Formulated to match the pH balance of human skin, SnoWonder leaves the natural oils of the skin intact. As a result, it prevents hands from becoming dry and cracked.

**A SIMPLE WAY TO STAY HEALTHY – WASH YOUR HANDS.**
